SUMMARY

Mr. Goodmiller joined Haines Structural Group in 2014 after graduating from the University of Tennessee with a Master's Degree in Civil Engineering. He holds a Bachelor of Architecture degree from the University of Tennessee and worked as an intern architect for two years in Nashville and Knoxville. Mr. Goodmiller's experience as an architect brings HSG a unique perspective on structural engineering and design. His skills and experience include the design of single and multi-story structures composed of structural steel, light gauge metal, wood, heavy timber, concrete and masonry. Mr. Goodmiller also has experience in the assessment, repair, and renovation of existing structures.
